Meeting Notes:

Introduction from the Chairman

The Chairman started the meeting by giving an update of the current progress of the operation of SENT/ SENTX Landfill and invited the representatives from ISS/HKSTP and Gammon to express their views and concerns on any matter related to the Landfill.

Matters of concern

ISS/ HKSTP

Edwin of ISS/HKSTP said he had not received any complaints from the tenants of TKOIE on odour or other issues related to SENT/SENTX Landfill in these 2 years.

Gammon

Both Michael and Gogo of Gammon said they had not scented any odour from the SENT/SENTX landfill since they worked at TKOIE.

All representatives from both companies said they did not have any matter of concerns related to SENT/SENTX Landfill. They were more concerned about other issues such as illegal dumping or dump trucks not properly covered when transporting construction waste on the road, which were not related to SENT/ SENTX landfill operation.

The Chairman thanked all representatives for attending the meeting and sharing their views.

The meeting was adjourned at 10:40 a.m.
